

One person,
One bag,
One clean community!

The Story

Once upon a time, a PSU professor who lives in town spent two months collecting litter while walking his dog. Each day, he left with an empty grocery sack. Each day, the sack came back full. By time it was over, 117.5 pounds of recyclable material had been collected from the streets and campus of Plymouth!!

Now, we are challenging YOU to follow in his footsteps. He picked up 117.5 lbs. Will you pick up just one bag-full?

The Big Pile-Up

On **APRIL 26** you can participate in Pick-Uppalooza!

How: Collect a bag of litter. Throw it on the pile. Be entered into the raffle.

When: April 26, 1pm – 4:30pm (during Earth Jams)

Where: Alumni Green

Why: Contribute to a cleaner Plymouth. Raise awareness of the litter problem in our community. And possibly **WIN A PRIZE!**
